REMARKS

25X1X

On 15 February 1953, a Soviet troop train of 10 boxcars with a troop unit, and 40 cars with 6 canvas-covered artillery pieces, probably AT guns, 5 jeeps, 25 open trucks and 25 covered trucks, [REDACTED] was observed at the Hegyeshalom (P 48/Y 06) railroad station. The individual cars were connected by a telephone line. The train left for Mauer Oehling (O 49/W 26).
